## Cass Employer Clinic

### **WE ARE PROUD TO SERVE YOU**

The joint partnership with Cass County Government, the City of Logansport and Unity Healthcare created a new employer health clinic called Cass Employer Clinic.

Cass Employer Clinic is proud to serve the Cass County area. Our goal is to provide excellent, comprehensive, continuous, compassionate, quality primary health care to our patients. We strive to partner with our patients to promote their health and wellness.

Employees of participating Clinic employers and their insured family members can access the Cass Employer Clinic's services, free of charge.
